## This List Cancels All Previous Lists

**Packing.** Net f. o. b. our shipping points. Packing charges are extra. We make no charge for packing car lot orders in bulk.

### NOTICE!

The prices upon many items of Nursery Stock are advancing. We anticipate that there will be many shortages before the Spring Planting Season is over. All prices in this list are subject to change without notice. All quotations are made for immediate acceptance and with the understanding that all orders placed by us with our shippers are placed subject to shipper having stock on hand at the time your order is received. We advise you to place all orders early.

### Prices are subject to change without notice.

Orders are accepted on condition that they shall be void should stock become injured by frost or other causes beyond our control. We cannot be responsible for loss caused by damage or delay in transit. If such damage occurs, it must be reported and entered immediately with your local agent of the transportation company.

**Claims** for error or shortage will be gladly corrected, but we must be notified within **ten days** after arrival of the stock. Such claims must be based upon an actual check of material at the time shipment arrives and not after it has been sold or lined out.

**Quantity Discount.** Five plants furnished at the 10 rate, 25 at the 100 rate and 250 at the 1,000 rate.

**Guarantee.** Prices do not include any guarantee of growth.

**Terms.** All accounts are due and payable 60 days from date of invoice. Cash, security, or satisfactory Trade references will be required from unknown parties. Interest at 6% will be charged upon all past due accounts. Cash discounts: 2% 10 days; 1% 30 days from date of invoice.

Where quantity ordered is of sufficient amount we can arrange for shipment by motor truck at reasonable rates. Our favorable locations make it advantageous for our customers to come with their trucks and take away their purchases.

### OUR SERVICE

We always use the greatest care in placing orders for material where we believe the customer's interests will be best served as regards transportation, etc. Sometimes we receive orders for material of which we are either sold out or do not list. In such cases we fill the order, if possible, from the nearest source of dependable stock. This service, we believe, means much to our customers, especially during the busy planting seasons.

**TREE WISTERIA**

F. O. B. Ohio Shipping Point

No more lovely sight can be imagined than a Tree Wisteria in bloom. The purplish blue flowers completely cover the tree during May, transforming it into a sheer beauty. In formal gardens, Tree Wisterias are indispensable. On the lawn they develop into beautiful specimens and live for generations increasing in beauty and dignity each successive season. The plants we offer are grown on stems about 4 feet high and the crowns are about 2½ to 3 feet in diameter. Every plant has bloomed.

**Blue.** The most popular color    Each \$3.50, Doz. \$36.00

**White.** Silvery white blooms    Each \$4.50, Doz. \$46.00

**TRUEHEDGE COLUMNBERRY OR COLUMN BARBERRY**

(*Berberis thunbergi pluriflora erecta*)

United States Plant Patent No. 110

A fine upright new form of Barberry, pyramidal, with a very dense growth and heavy foliage evenly distributed from the ground up; berries similar in color and size to *Berberis thunbergi*. Can be grown like boxwood. Very desirable for compact hedges and a welcome addition to our list of Hedge Plants.

**BERBERIS MENTORENSIS**

U. S. Plant Patent No. 99

**"Mentor Barbery"**

A remarkably fine hedge plant that withstands heat and drought. This plant is the result of a cross between *Berberis thunbergi* and *Berberis Juliana*. Foliage is a good dark green and upright in habit. We offer these plants for shipment from Westfield, Mass., under license from the originators.

## EUONYMUS ALATUS COMPACTA

Introduced from plants received from France several years ago. It has been welcomed as one of the most desirable shrubs for general landscape work. Useful for shrub plantings, or to be planted alone, and invaluable as a hedge plant because trimming is almost unnecessary. Considered by Arnold Arboretum one of the outstanding shrubs for fall color. Our stock is complete in the following sizes:

## PHYSOSTEGIA OR FALSE DRAGONHEAD

### Two New Bristol Introductions—1938

**SUMMER GLOW (3-32).** Towering stems often exceeding four feet, terminating in colorful spikes eighteen inches in length; similar to the parent, "Gigantea" but of a rosy crimson color that is altogether attractive and far more effective. A splendid background or cut-flower variety, it will supersede the older kind. Height, 4 feet. In full flower mid-August.

**ROSY SPIRE (4-34).** Similar to the above but a shade deeper in color. Somewhat more compact in its inflorescence, it resembles the rosy crimson parent "Vivid" but attains a height of 3 to 3½ feet and is decidedly colorful in mid-September.

3 in. pots, \$3.00 per doz.; \$20.00 per 100.
